DETAILS OF DEMANDS FOR GRANTS AND APPROPRIATIONS

VOLUME II
Current Expenditure

Government of Pakistan
Finance Division
Islamabad

PREFACE

This publication, “Details of Demands for Grants and Appropriations 2026-27” has been prepared for facilitating accounts offices and budget utilizing entities. The revised estimates for FY2025-26 are based on the information available in AGPR system as of 15th May, 2026, while budget estimates for FY2026-27 is a collection of budget orders/new item statements. The budget estimates for FY2026-27 provide for salary increase, reflected in separate cost centres under each demand. This will be utilized in consultation with Finance Division.

This budget document provides complete details of current expenditures, with a clear distinction between expenditures on revenue and expenditures on capital account. Estimated expenditures are reported on gross basis, and where any receipt or recovery is expected, the estimated reduction in expenditure is reflected below the relevant demand. The classification system adopted in this publication allows for viewing information from several perspectives. The functional classification provides information on the purpose for which the money will be spent e.g. public service, while the object classification gives expenditures like employees related expenses, utilities etc. The publication covers sub detail-level information of functional classification and minor heads-level for object classification.

The accounting offices, which process payments against budgeted amounts, are also identified with each Demands for Grants and Appropriations. This book, therefore, is a reference point for expenditure management and control for Ministries, Divisions and PAOs.

IMDAD ULLAH BOSAL
Secretary to the Government of Pakistan

Finance Division
Islamabad, June, 2026
